

2019-2021

Our Vision

To develop a more visible and active presence across Westminster.

Our Objectives

To Improve Information Provision

- Providing advice to Westminster City Council on matters such as Hate Crime and LGBT+ local service provision.
- A source of information & developments to the Westminster LGBT+ community on issues that affect local areas such as changes to businesses or local services.
- Act as a critical friend to Westminster City Council while also helping raise the individual concerns of local LGBT+ Community.
- Being a voice for local LGBT+ residents that is visible and trusted presence within the LGBT+ community in Westminster.
- Maintaining our links with local charities, local health watch teams, LGBT+ business forums and other vital LGBT+ societies within Westminster.

To Improve Communication

- Identifying & monitoring the availability of safe spaces for LGBT+ groups.
- Cross Party working with Westminster Council local Councillors on issues that affect the LGBT+ Community in Westminster Wards.

To Provide Scrutiny

- Monitoring levels of Hate Crime across Westminster and then working with the MET Police and Westminster Council to address concerns.
- Monitoring the provision of local health and social services to match the needs of the diverse local & visiting LGBT+ community.

To Improve Our Functioning

- To be a source of stability, visibility and joint-working practices across Westminster.
- Build our capacity to identify and secure funding streams for the long-term future of the Forum.
